## Photo Stories

**28 October 2011**

The international conference "Copper Metallurgy" was organised on 26 – 28 October 2011 in Krakow, Poland by the Instytut Metali Niezależnych (IMN), KGHM Polska Miedź S.A., SITMN and Economic Chamber of Non-Ferrous Metals and Recycling, and was attended by over 150 participants. The conference was linked to the 50th Anniversary of KGHM Polska Miedź S.A.

Conference patron Dr Herbert Wirth is President of KGHM Polska Miedź S.A.

Prof. Zbigniew Śmieszek of IMN was Chairman of the Conference

Plenary speakers included Dr Florian Kongoli (Flogen, Canada), Dr Michael Landau (Aurubis AG), and Norbert L. Piret (Piret and Stolberg Partners) - all shown here in the Conference room.

Dr Kari Knuutila, Senior Vice President and Chief Technology Officer, Outotec Oyj was another plenary speaker.

What would we all do without the coffee break!

*Thanks to IMN for permission to publish these pictures.*
