Dear Dr. Florian Kongoli,

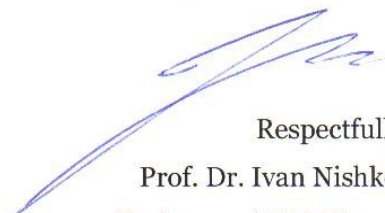

On behalf of the University of Mining and Geology “St. Ivan Rilski” – Sofia and the Organizing Committee of XV Balkan Mineral Processing Congress, it is my pleasure to invite you to be an Invited Speaker at the BMPC 2013 in Sozopol town, Bulgaria.

The XV BMPC to be held in Sozopol, Bulgaria, June 12 - 16, 2013. General Theme of XV BMPC 2013 is „The Wave of Changes in Processing and Recycling”.

During the period from 12 to 16 June, 2013, Sozopol town, Bulgaria will become the capital of mineral-raw material and recycling industry in Southeast Europe. Balkan Mineral Processing Congress is recognized as one of the largest events of its kind.

With your expertise in the field of sustainability in mineral processing and extractive metallurgy, we are confident that you will be able to impart numerous valuable knowledge pertaining to the theme.

Thank you and we hope you would be able to be our Invited Speaker for the event.

Respectfully,
Prof. Dr. Ivan Nishkov
Chairman of BMPC 2013
